*Tyrion covered his mouth and belched politely. Unlike Lord Janos he had gone easy on the wine, but he was very full. The first thing he had done after taking up residence in the Tower of the Hand was inquire after the finest cook in the city and take her into his service. This evening they had supped on **oxtail soup, summer greens tossed with pecans, grapes, red fennel, and crumbled cheese, hot crab pie, spiced squash, and quails drowned in butter.** Each dish had come with its own wine. Lord Janos allowed that he had never eaten half so well....*
